Dear Mr. Kim,

The National Radon Safety Board (NRSB) has reviewed the application package submitted for device evaluation for **RadonEye Pro CRM**, and is pleased to report that it has been approved. The device code is as follows:

Device Code	Measurement Method	Description
31827	CRM	RadonEye Pro Continuous Radon Monitor

Please note this information will be posted to the NRSB website under device listings. Should you have any questions, please feel free to contact me directly.

Sincerely,

Kehaulani Kekoa
Certification Coordinator
